Weddings

About

Tony Kelly Restaurant Group are thrilled to open the doors of the historic Eudlo General Store for intimate wedding reception celebrations here on the beautiful Sunshine Coast.

Established in 1925, the building exudes country charm with its original features, including rustic timber floors, wood panelling and carefully restored casement windows and french doors. The property also features a quaint front garden perfect for lawn games and cocktails before dinner.

The venue is available for wedding reception hire only. There are many beautiful ceremony locations in the surrounding hinterland which we can happily recommend should you require.

We look forward to helping you celebrate your special day at Eudlo General Store.
